LIMITED WARRANTY FOR BICYCLE TIRES**

Effective March 2021

What Is Warranted and Who Is Eligible Under the Limited Warranty?

Pirelli Tire LLC (Pirelli), 100 Pirelli Drive, Rome, GA 30161, warrants to the original retail purchaser that all Pirelli Original Equipment and Replacement Bicycle tires with a complete Date Code and branded Pirelli, which are supplied by Pirelli, either directly or through an authorized Pirelli Velo Dealer, and which are mounted on bicycles within the U.S.A. and Canada will be free from anomalies in workmanship and materials. The Pirelli Velo United States and Canada Original Equipment & Replacement Limited Warranty For Bicycle Tires is subject to periodic revision; see the Tire Warranty section at www.us.pirelli.com for the latest version.

What Is the Adjustment Policy and For How Long?

This warranty is extended to the first retail purchaser of the tire in the United States and Canada with the original purchase receipt or invoice, or to the original owner of the bicycle on which Pirelli Velo tires come mounted as Original Equipment. If an eligible Pirelli Velo tire becomes unserviceable due to workmanship or material anomalies during its warranty period, which is within the first 12 months from date of purchase (purchase receipt required), the warranty procedure must be followed.

If, after following the warranty procedure, the tire is accepted, the authorized distributor will receive a credit on the customer's behalf for 100% of the distributor purchase price.* **

***Note:** This Limited Warranty does not cover any related equipment or service charges, including costs associated with tubes, mounting or balancing the tire, rim/wheel alignment or tuning.

****Note:** Pirelli is not responsible for transactions between the distributor and retailer or consumer in relation to this limited warranty.

CAUTION:

Before fitting or removing a wheel, read through the bicycle manufacturer's instructions and make sure you are familiar with the locking mechanism.

Make sure the tire, tube and wheel/rim are all compatible with each other. **An incorrect matching of tire and wheel/rim may result in unseating of the tire bead or damage to the inner tube and consequent rapid air loss.** If you are not sure, ask an authorized Pirelli Velo dealer or a bicycle specialist.

Pirelli does not express any view as to the compatibility of the wheel/rim/tire combination with the technical specifications for the bicycle. Pirelli is not responsible for any damage caused by an improper repair.

How to Make a Claim under This Limited Warranty

To receive consideration for warranty coverage, the tire(s) must be returned to any authorized Pirelli Velo dealer. If the authorized Pirelli Velo dealer believes that the tire(s) may be covered by this Limited Warranty, it will submit the tire to Pirelli with the required necessary

documentation including proof of purchase. Pirelli's authorized tire inspection personnel will then make a determination regarding qualification for coverage under this Limited Warranty.

When making a claim under the terms of this Limited Warranty, you must present the tire(s) along with the proof of purchase to any authorized Pirelli Velo Dealer. Once tires are returned to Pirelli by an authorized Pirelli Velo dealer and credit has been issued, submitted tires become the property of Pirelli.
